

A vibrant band of Bahá'í youth on the European continent, committed to the promotion of the Cause of Bahá'u'lláh and the upholding His laws and principles, determined to work in harmony and unity with their fellow believers of all ages and classes, can revolutionize the progress of the Cause...

"This generation of Bahá'í youth enjoys a unique distinction. You will live your lives in a period when the forces of history are moving to a climax, when mankind will see the establishment of the Lesser Peace, and during which the Cause of God will play an increasingly prominent role in the reconstruction of human society."

Youth can move the world

'The key to success....is,

firstly,

to deepen your understanding of the teachings of the Cause so that you will be able to apply them to the problems of individuals and society, and explain them to your peers in ways that they will understand and welcome;

secondly,

to strive to model your behaviour in every way after the high standards of honesty, trustworthiness, courage, loyalty, forbearance, purity and spirituality set forth in the Teachings;

and above all,

to live in continual awareness of the presence and all-conquering power of Bahá'u'lláh, which will enable you to overcome every temptation and surmount every obstacle..."

"With love and utmost longing we call upon you to immerse yourselves in the divine Teachings, champion the Cause of God and His Law, and arise for the quickening of mankind."
